Dear Parents:

I am excited to announce remarkable new opportunities we now are able to offer you and your children to learn and celebrate our beautiful Catholic Faith.

Because everyone is at different points on the journey, a one-sized approach is neither effective nor engaging. I also have heard the pleas of many parents requesting a more meaningful family-centered experience for growing in faith that makes a positive difference every day at home as well as at church.

Families preparing to celebrate the reception of the Sacraments of Reconciliation, Eucharist or Confirmation will benefit from fresh approaches that heighten the likelihood of these encounters actually being the life-changing moments overflowing with divine grace that God made them to be.

For those of you with children through Grade 7, including those with children in Grade 2 receiving the Sacraments of Reconciliation and Eucharist, expect details soon from Mrs. Sandi Trabbic, Director of Faith Formation.

For those of you with children in Grade 8, expect details soon from Mrs. Jennifer Badoni, Youth Evangelization Coordinator and Confirmation director.

In Jesus Through Mary,
